COVID-19 remains with us although we are encouraged with an additional week of a relatively low number of cases in our schools. Please remember, if you or your student is not feeling well, stay home from school, avoid others, including those with whom you live, and seek testing. We continue to encourage keeping up-to-date with COVID-19 vaccinations, including primary series doses and boosters for each age group, as the best way to maintain good health and well-being.

Thank you for your support and, if you have questions about the pandemic, please email COVID-19@nashua.edu.

Sincerely,
