

LEARN UNITED

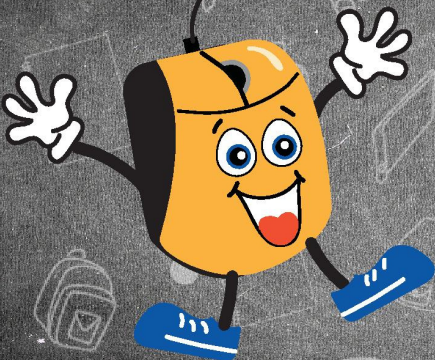

Our community response to COVID learning loss!

Because GREAT THINGS HAPPEN when we LEARN UNITED!

- Learn United is a broad based tutoring program for students to overcome academic gaps and is launching mid-October.
- The United Way of Greater Nashua has a school supply pantry, technology pantry and hotspots for internet access. Contact a school employee to gain access to tools.
- If you would like to tutor students or give away an unnecessary laptop, information is available on the back of this flyer.
- More information available online at unitedwaynashua.org, click on "Our Work" and choose "Learn United" from the drop down list.

“Learn United” Volunteer Tutor Registration

Volunteer tutors are needed to work with Nashua school children in grades 1 to 11 in Math or Literacy for all grades, or Science (just for grades 9 through 11). This program has been created to help Nashua students who are experiencing an increased lack of success due to our current Covid-19 remote education model. Volunteers should have some experience with teaching, tutoring, or helping educate others in another way.

Please register to volunteer on the form below. You will then be sent a questionnaire where you'll be able to indicate which subjects you have proficiency in, which grade levels you would like to work with, and your schedule.

Volunteering will take place primarily during after school hours and may be virtual or in person depending on the needs of the student. Volunteers are expected to be available for two to three hour per week for the duration of the 2020 - 2021 academic year and will be expected to pass a background check. Volunteers will usually be working with one student at a time but may be assigned to small groups if there is a group of students who need help in the same subject.

Name_____

Email Address_____

Phone Number_____

Previous Educator Experience_____

If you have a used laptop or tablet you'd like to go to a child who can use it to do their school work, please drop it off at the United Way of Greater Nashua office at 20 Broad Street in Nashua any time between 11am and 3pm on weekdays.

These items will go to Nashua children for use during remote learning during the 2020 - 2021 academic year.
