Summer Reading

Make sure you continue to read for at least 20 minutes each day! The more you read, the more you achieve!

Math Facts

We know how hard you worked in third grade to learn your multiplication facts. Keep practicing those facts over the summer. We will use them everyday in fourth grade!

Bring your supplies on the first day of school, August 29th. You will meet your classroom teacher in front of the building on the lawn in front of the art room. Enjoy your summer!

Sincerely,
Grade 4 Teachers
