Chief Operating Officer

September 6, 2022

Dear NSD Families and Staff,

Starting today, until at least mid-October, we will report the number of confirmed, positive COVID-19 cases in our schools each week. Fortunately, the community level is currently low in greater Nashua. Public health officials continue to recommend vaccination to prevent serious illness; consequently, we encourage keeping up-to-date with COVID-19 vaccinations and boosters as the best way to maintain good health and well-being. Also, please remember, if you are not feeling well, stay home from school and seek testing.

Today our schools are reporting 27 positive cases of COVID-19 during school last week.

5 positive cases at Bicentennial Elementary School
1 positive case at Birch Hill Elementary School
1 positive case at Broad Street Elementary School
5 positive cases at Dr. Norman W. Crisp Elementary School
1 positive case at Ledge Street Elementary School
4 positive cases at Mount Pleasant Elementary School
1 positive case at New Searles Elementary School
1 positive case at Sunset Heights Elementary School

1 positive case at Elm Street Middle School
1 positive case at Pennichuck Middle School

6 positive cases at Nashua High School North

I am looking forward to a successful, positive, and healthy school year. Thank you for your support and if you have questions about the virus, please email COVID-19@nashua.edu.

Sincerely,

A handwritten signature in black ink, appearing to read "Mario Andrade".

Mario Andrade, Ed. D.
Superintendent of Schools
