May 2024

The Principal's News

Happy May!

April flew by, and we're now in the home stretch! A big thank you to the PTO and Mr. Nelson for organizing this year's Bulldog Jog and Jump! It was a successful fundraiser, and our students earned many prizes. Later this month, we'll have a student Principal, Assistant Principal, and PE Teacher - thank you for your support!

Exciting news - a crew is currently installing a new swing set on our playground! Once the work is complete, Broad Street students will have access to six swings. This project wouldn't have been possible without the efforts of the PTO, the Nashua School District Plant Operations Team, the Nashua Board of Education, and the many parents who support our PTO events. We can't wait to open the new equipment!

Please review the Important Dates section on the left of this newsletter. We have several events lined up between now and the end of the year, and we look forward to seeing you at the school!

Warm regards,

John Forrest, Principal
forrestj@nashua.edu

Head Start and Early Head Start

The Nashua **Head Start** and **Early Head Start** programs are now taking applications. Southern New Hampshire Services provides a great learning experience for children birth-4 years of age at 3 locations in Nashua. We offer several program options to best-fit family's needs. Contact us today at 603-668-8010.

Dream big. Work hard. Achieve success.

Important Reminders:

Please remember to wait to be buzzed in by the main office. We are all doing our best to keep the children safe and if someone sneaks in with someone else, it becomes a safety issue.

For Your Child's Safety Please Report your child's absences.

Please call (603) 966-1880 on our phone line from 3:30 PM to 7:30AM, there is a voicemail option if you call before/after hours. If your child is going to be absent, please give us a call. If we do not hear from you, you will receive a call from us and Blackboard Connect, an automated messaging system. This system calls your home phone so it's very important to call your child in or check your home messages. Remember this is for your child's safety.

**Afterschool procedures –
Written notes**

If your child will be deviating from their normal after school procedure, please send a note to the teacher that morning. We appreciate a written note rather than a phone call to ensure that we are keeping your child safe by following your family plans. Thank you!

The Nurse's News

A reminder to 5th grade parents:

The NH Department of Health and Human Services highly encourages that when your child turns 11 years of age they receive a Tdap vaccine. Please send in documentation once your child has this immunization and I will update their record. Your child's records will be transferred to their incoming middle school the last day of school, any documentation after the last day of school should be sent to the middle school your child will be attending. As always, please feel free to email or call with any questions.

A couple of reminders with the nice weather approaching:

- 1) Appropriate footwear is essential to your child's safety. One of the major causes of playground injuries is flip flops. If your child must wear flip flops to school, please send along proper footwear for recess, and make sure they have sneakers on gym day.
- 2) Please go over bike safety with your child and remind them to wear a helmet.

PTO News

Merry May Bulldogs!

We hope you all had an enjoyable spring break and are ready for the last chunk of the school year! The last two months are usually the busiest for the PTO with meetings and events. Our last two meetings will be focusing on filling open positions for the following school year as well as goal setting and event/fundraising planning. We can use all the help we can get! All ideas and support are welcome!! We wouldn't have one of the strongest PTO's in the district without all of you, so we hope to see you Wednesday, May 1st at 6:30PM in the staff lounge.
