

Meet Miss Castaldini

castaldinim@nashua.edu

Leave a little sparkle
wherever you go.

I live with my sister and dog Gus! I love going to the beach, shopping, spending time with family and friends, and... anything glittery!

Welcome to Kindergarten!
It's going to be a great year filled with fun and new adventures!
Together we will bloom as readers, mathematicians, writers, scientists, thinkers, and friends.
I am so excited for what this school year will bring and can't wait for your elementary school journey to begin in my class!
