Throw Kindness Around
Like **Confetti!**

I live with my husband, Jimmy, my son JJ, my daughter Evie and our **BELOVED** dog, Winston!
We enjoy traveling, playing games and being active. Some of my favorite things include ice cream, coffee and chocolate! YUM

Kindergarten is a magical journey that marks a very important milestone in a child's life. I absolutely **love** exploring and navigating through various play-based learning activities each day with my students!

#KindersRcool
