

ADMISSION OF RESIDENT STUDENTS

The school district of residence of a student is defined by RSA 193:12, II.

New Resident Students

All new resident students, accompanied by a parent/guardian, should register at school before opening day and as early as possible.

Children entering school for the first time must have proof of physical examination, immunization records, a copy of the child's birth certificate or other suitable documentation and proof of residency satisfactory to the Superintendent or his/her designee. Principals or their designees will meet with new children and parents to explain school programs.

For further information regarding immunization requirements, contact the New Hampshire Department of Health and Human Services.
