April 29, 2024

Dear NSD Families:

I am writing to give you added information about the school boundary lines for the three middle schools that take effect with the start of the new school year. In August, McCarthy Middle School will open for the first time and join Fairgrounds Middle and Pennichuck Middle Schools to serve our students in grades 6, 7, and 8. With the closing of Elm Street Middle School, attendance boundary lines have changed for many students.

To confirm middle school attendance, please [click here](#) for the redistricting map. Fill in the red search field in the upper left corner of the map with your address and click on the highlighted address to initiate location. Neighborhoods are shaded in the attending school colors: Fairgrounds Middle is green, McCarthy Middle is red, and Pennichuck Middle is blue.

Please know that the current school boundary lines for our elementary schools and both high schools remain the same next year as this year.

In essence, below is a list of the 12 elementary schools and how they feed into our middle schools, beginning with the 2024-2025 school year.

Amherst Street Elementary	Pennichuck Middle
Bicentennial Elementary	Fairgrounds Middle
Birch Hill Elementary	Pennichuck Middle
Broad Street Elementary	Pennichuck Middle
Charlotte Avenue Elementary	Pennichuck Middle
Dr. Crisp Elementary (split)	Fairgrounds Middle
	Pennichuck Middle
Fairgrounds Elementary (split)	Fairgrounds Middle
	McCarthy Middle
Ledge Street Elementary	McCarthy Middle
Main Dunstable Elementary	McCarthy Middle
Mount Pleasant Elementary	Pennichuck Middle
New Searles Elementary	McCarthy Middle
Sunset Heights Elementary	Fairgrounds Middle

If you have questions about attending middle school, please contact your current school principal. We want to be sure you and our middle school students know which middle school they are attending in August. Each middle school principal will be reaching out to students directly later this spring about opening plans for the new school year. If you have additional questions, please email middleschoolproject@nashua.edu.

Thank you.

Mario Andrade, Superintendent of Schools
