

PUPIL INSURANCE

1. Student Accident Insurance is arranged annually by the Nashua School District through an insurance agency. The insurance is available to all students and personnel at the expense of the individual. The Business Administrator shall be responsible for the execution of the Student Accident Insurance program.
2. Students participating in junior and senior high school interscholastic competition other than high school football will be required to present evidence of Student Accident Insurance coverage obtained at the individual's expense, or a properly executed athletic accident liability release. The Board of Education shall provide at the expense of the School District athletic insurance covering students participating in School District approved interscholastic high school football competition.
3. The Director of Athletics shall be responsible for ensuring adherence to the provisions cited under paragraph 2 above.
