

FINANCING THE SCHOOL LUNCH AND MILK PROGRAMS

The School Lunch and Milk Programs shall be financed as follows:

- A. Cost of office facilities, heat, and water power shall be provided without charge by the School Department.
- B. All wages, food, supplies and other expenses directly incurred shall be paid for through the cafeteria revolving account when fiscal conditions permit.
- C. An annual financial and statistical report encompassing the school year operations shall be prepared by the Business Administrator, in collaboration with the Director of Food Services, by July 31 of each year.
