Discussion – System Design & Design Peer Review Update

At the Construction Committee Meeting the only item for discussion was approving the fee schedule for Dr. Gary Phetteplace to conduct a peer review of the design for Fairgrounds Elementary School's HVAC System by Turner Science, Inc.

Jim Mealey indicated Dr. Phetteplace had estimated between 8 and 10 hours to complete the peer review.

Alderman McCarthy estimated this should come to about \$2,000.

Jim Mealey agreed that this estimate was consistent with his estimate.

Alderman Tabacsko asked if it made sense to put a dollar limit on the peer review approval.

ALDERMAN TABACSKO MOVED TO APPROVE THE FEE SCHEDULE FOR DR. PHETTEPLACE TO CONDUCT A PEER REVIEW OF TURNER'S DESIGN FOR AN AMOUNT NOT TO EXCEED \$2,200.

SO VOTED.

Alderman Tabacsko moved to adjourn. **So voted at 6:09 p.m.**
