
Exemptions from Interviews / Photographs / Videos

Dear Parent /Guardian/Eligible Student:

From time to time during the school year, members of the news media (newspapers/television) visit our school to interview and/or take pictures / videos of students in the school setting regarding the students' participation in school-sponsored events and functions.

If you object to having your child included in these interviews and/or photographs / videos (or if you are an eligible student 18 years of age or older and do not want to participate), you must complete this form and return it to the school administration office as soon as possible.

Student's Name _____ Grade _____

School _____

To be completed by parent:

I do not want my child to be photographed /videoed as described above.

I do not want my child to be interviewed as described above.

To be completed by student 18 years of age or older:

I do not want to be photographed / videoed as described above.

I do not want to be interviewed as described above.

I, the undersigned, understand this exemption does not include general events open to the public such as school performances, athletics, field days, etc. that may be broadcast on the Nashua Cable Television System, including the Education Channel.
