Dear Students and Parents/Guardians of Nashua High School South,

Welcome to a new school year! I hope this letter finds you rested and relaxed from your summer break. Students of Nashua South – I am sure your parents/guardians agree with me on how excited we all are that you are returning to school soon. My favorite day of the school year is the one when, once again, I hear the sounds of voices in the hallways during the changing of classes.

In the enclosed packet you will find a great deal of information about our school and the steps you will need to take to follow prior to the first day. Please read and review the material carefully. You may also access our school website via the link for Nashua High School South through the district's website at www.nashua.edu.
