Students attending Nashua Public Schools must be legal residents of the City. Legal residence can be verified by producing two current utility bills and any other documentation deemed necessary by the administration. If a student moves out of Nashua during the school year and wishes to continue attending school in Nashua, the School District must be notified by the student's parents and/or by the student if over the age of 18. If space is available, students will be allowed to remain in the Nashua School District at a prorated tuition. Families who do not reside in Nashua, or move out of Nashua, but send their children to Nashua Public Schools without giving proper notification to the School District and receiving written permission for their child's enrollment in the Nashua Public Schools, will be assessed the cost of tuition for the period of time in question and may face appropriate civil and criminal sanctions, including, but not limited to, complaints for Theft of Services.
