Dear Parents,

Thank you for your interest in Play Pals. Tuition is \$180.00 a month. If you believe you may qualify for free or reduced tuition, please complete the attached form. Reduced tuition will be \$90.00 a month.

Use one Free or Reduced Tuition application for all the students in your house hold. Incomplete documents (including missing supporting documentation) will not be processed. Return to the Nashua School District 141 Ledge Street, Nashua NH 03060

Your child may qualify for free/or reduced tuition if your household income is within the Federal Income Chart shown below. You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). If your income is not always the same please list your typical income. For example, if your normal monthly income is \$1000, but you missed some work last month and only received \$900, please note your typical monthly income as \$1000. If you consistently receive payment for overtime work, include it, but not if you get it only occasionally.
