NOTES _____

Nashua North/South Students: All courses with the intent to have the credit transferred back to your high school must have permission from the guidance department prior to enrollment in a course. Your guidance counselor must complete the day student form with the course recommendation and year of graduation. It is the student's responsibility to obtain permission or credit will not be awarded through adult education program.

Our Adult Education core values are character, courage, respect, responsibility and integrity. Please demonstrate respect our teachers and this program. Disrespect or disruption of our school will result in removal from Adult Education. Our Adult Education core values are character, courage, respect, responsibility and integrity. Respect our teachers and this program. Disrespect or disruption of our school will result in removal from Adult Education.

"I have read all of these school policies. I understand them completely and agree to comply with all aspects of them."

PLATO Contract:

Name: _____

Email: _____

Course: _____

Start Date: _____

Projected end date: _____

- PLATO is an online learning program. The course work is challenging and requires time and effort to complete. Students should plan to take notes and do other formative work just like they would in the traditional classroom.
- The average student will spend 50-100 hours to complete a course. (regular semester classes take 130 hours)
- Students should plan to attend support classes weekly for PLATO. Students should attend after school sessions at North on Thursdays or classes offered during the regular school day with permission of Mrs. Rothhaus. Students should attend classes until they have demonstrated the ability to be independently successful by completing 70% of part A with a grade of B or higher. Students may continue to attend help session until they complete the course if they wish to.
- It is not possible to complete a PLATO course without regular effort. A minimum of 60 minutes daily is a good starting point for most students.
- Students should plan to complete a PLATO course in 1 semester. (5 months). If students do not complete the course a grade of WF (withdrawn failing) will be entered on the NCLL transcript.
- If a student has not logged into PLATO for 30 days or more their account will be deactivated and an alternative method for earning credit will be required. A grade of WF (withdrawn failing) will be entered on the NCLL transcript.
- PLATO grades will be entered as Pass/Fail on NCLL transcripts. PLATO classes will be entered as an Adult Education transfer credits on day school student transcripts.

I have read the above expectations and agree to abide by them.
