

Nashua Parents and Guardians,
here's an opportunity
you don't want to miss!

Sealing Smiles Across NH

Bringing Cavity Prevention to Granite State Kids

Our cavity prevention program is heading to your child's school in the 2023-2024 academic year.

WHAT'S IN IT FOR YOUR CHILD?

- Oral health screenings
- Fluoride varnish for stronger teeth
- Guided tooth-brushing instruction
- Oral health education and free dental care products

If needed, then your child will get:

- Glass Ionomer to seal the teeth
- Silver Diamine Fluoride to kill cavity causing bacteria

EXPERT CARE, NO HASSLE

- Quick appointments (15-20 minutes during school hours)
- No shots, no drilling, no pain
- No worries about transportation or taking time off from work
- Proven to reduce cavities by up to 80%

COST? NO WORRIES!

- Covered by insurance, federal grants, and NH Medicaid
- No out-of-pocket fees or deductibles

HOW DO I SIGN-UP MY CHILD?

Parent/guardians need to complete and sign the consent form prior to the appointment. This form will be sent home with your child. Keep your eyes peeled.

QUESTIONS OR APPOINTMENTS?

Contact Myra Nikitas at mnikitas@solverehealth.com

Please look for Nashua School District to announce screening schedule and to send home consent forms.
