## Book Fair

The book fair will begin on Friday, March 13 and continue until Friday, March 20. Volunteers are needed. Watch for the volunteer sheets to be coming home soon.

## State Testing

Our Statewide Assessment for Grades 3 – 5 will take place within the next few months. More information to follow once the dates have been established. The purpose of notifying you now is so that you can help us best prepare our students for taking these tests. We are hoping you will do your best to not schedule appointments for your child and make every effort to have them here in school.

The Statewide Assessment is an important tool available to parents and educators to determine how well our school is helping students meet standards outlined in our curriculum. In every assessment, scores are only as meaningful as the effort students put into the tests. Encourage your child to take the tests seriously and to give his or her best effort. You can best help your child prepare for the assessment by making sure that she or he is rested on the days the tests will be given. And, as with every day, it is critical that students have a good breakfast before heading off to school.

Thank you for supporting your child and our school during the testing period.
