## A LITTLE ABOUT ME

Hello! My name is Ashlee Cataldo and I love being a part of the Main Dunstable Community! I have been teaching 3<sup>rd</sup> grade in the Nashua School District since 2013.

I live in Nashua with my wonderful husband, Steve and have two adorable daughters, Paisley and Gianna.

I love making learning FUN by creating engaging lessons and creating a safe place for my students. My goal is for the students to develop a desire to become lifelong learners. I can't wait for all the memories we will make in 3<sup>rd</sup> grade.
