

Meet Mrs. Dobrowolski

dobrowolski@nashua.edu

I have been so fortunate to be teaching third grade for 15+ years; I really love this age. It is so rewarding to see the growth the kids will make this year. I try to make learning fun, and I encourage participation from the students. I look forward to having a great year with you!

"When given the choice between being right or being kind choose kind." -from the book "Wonder"

About Me:

Hi! I grew up in Nashua and absolutely love it here! MDES is also my home school. Both my brother, my sons, and my grandchildren attended this school so it is a thrill to be able to be a teacher here. I am a lifelong fan of the New England Patriots, which you will notice when you walk into my classroom. I love going to the beach and reading. My absolute favorite subject to teach is Math.
