

Meet Mrs. O'Flynn

Together, we can do anything!

Here in second grade, we will be plenty busy with Eureka Math, Lucy Calkins writing, Mystery Science, Social Studies, Raz Kids reading, Choose Love, and so much more!

Hi there! I've been very fortunate that my teaching path has taken me from Boston, MA all the way to London, England however I am so happy to have found a home here at Main Dunstable!

I am quite adventurous and love to travel! I love to hike and be near the mountains!
