Main Dunstable Elementary School holds a very special place in my heart! I taught here from 2011-2018 as a special educator, 2020-2023 as a fourth grade teacher, and now I am part of this amazing second grade team!

I went to Rivier College where I earned a BS in Elementary and Special Education and a Masters Degree in Curriculum and Instruction from Keene State College.

My family and I live in Hooksett, NH. I have a daughter named Lyla and a French Bulldog named Beau.

I grew up in Merrimack, NH with my parents and my older brother. Both of my parents were school teachers for many years in both elementary and middle school which inspired my passion for teaching from an early age.
