immunization and Vaccine Clinic at North: Many children missed routine, pediatric vaccines over the last year due to the COVID-19 pandemic. To help our families, public health nurses are managing an upcoming vaccine clinic at Nashua HS North.

The clinic will be a one-stop clinic for 14 different immunizations, including Tdap (tetanus, diphtheria, pertussis), measles, mumps, as well as the COVID-19 vaccine for students 12 years or older.

The immunization and vaccination clinic will take place:

- 3 to 6 pm, Thursday, August 19
- at Nashua High School **North**

Please [click here](#) to register.

Appointments are encouraged; walk-ins are welcome.

Nashua Goes Back to School: The City of Nashua and the Greater Nashua Chamber of Commerce are celebrating *Nashua Goes Back to School* outside at the Nashua Public Library courtyard.

5 - 6:30 pm,
Thursday, August 26

All Nashua School District parents and students are invited to attend.

The event features a socially-distanced welcome from Nashua School District principals who will be distributed donated school supplies with the support of volunteers. Principals will be available under tents in the public library parking lot.

We hope to see you there!
