Welcome to AP Literature and Composition. Similar to many college freshman experiences, you are being asked to complete a short reading assignment over the summer. Please read and annotate the short novella *The Metamorphosis* by Franz Kafka by 9/2/2021. You may purchase a copy on Amazon for \$2.99 (Dover Thrift Edition – see below). You will be asked to discuss the novella in class as well as turn in your annotations for a grade.

(Note: there are several stories in this edition, but you are required to read **only** *The Metamorphosis*.)

Please feel free to reach out to either AP instructor above if you have any questions. Have a great summer.
