## PAWSS...Parents At Work with Students and Staff

[NHSS.PAWSS@gmail.com](mailto:NHSS.PAWSS@gmail.com)

Dear Panther Parent/Guardian:

August 2022

Volunteering in your child's school is a great way to show them that you take an interest in his/ her education and it sends a positive message that you consider school a worthwhile cause. Volunteers are a huge resource and a support base for the school community.

PAWSS is the volunteer group at Nashua High School South that is committed to supporting its students, teachers, and staff. We welcome you to be a part of PAWSS and to be as involved as you would like.

We hold quarterly coffee hours so you can hear what is happening and to share, learn and ask questions of PAWSS parents, administrators and other guests. Consider giving us your email by emailing [NHSS.PAWSS@gmail.com](mailto:NHSS.PAWSS@gmail.com) so you can get up to date information on school events or parent coffees. You can also join us on Facebook at "Nashua High South Parents Group (PAWSS)" to keep up with pertinent information.

Because student safety is the greatest priority, it is the requirement of the Nashua School District that anyone who volunteers must fill out a **Volunteer Assurance Form (VAF)\*** prior to any volunteer work (including donations, volunteering at sporting events and other school events). This is to prevent the rare but real possibility of a volunteer becoming involved with our students for less than honorable purposes. A copy of the VAF is included in this mailing. Additional forms can be emailed to you by our volunteer coordinators. \*A new form must be completed each year and for each school that your children attend.

All completed VAF forms can be dropped off returned to the main office at NHS South. Feel free to contact the school volunteer coordinators with any comments and/or questions. Thank you!

VOLUNTEER ASSURANCES FORM**

IJOC-R

Dear Volunteer Applicant:

Welcome to our School Volunteer Program! Without your willingness to share your time and talents, we would not be able to provide many of the services now available to our students.

**Volunteer:** A school volunteer is anyone providing volunteer service to support our schools, including:

- Service at school, such as classroom help, clerical work, PTO, field trip chaperone, volunteer coach, mentor
- Service at home, such as baking or paperwork for teachers
- Service on District administrative committees

**Confidentiality:** The District's school volunteer program asks all volunteers to respect students' privacy. While volunteering, please keep observations about student behavior and academic performance confidential, and only disclose pertinent, sensitive student information to a teacher, guidance counselor, assistant principal, or principal.

**Student Safety:** Because student safety is our greatest priority, screening volunteers is required to prevent the rare but real possibility of a volunteer entering our schools for less than honorable purposes. We ask that you read New Hampshire RSA 632-A:10, Prohibition from Child Care Service of Persons Convicted of Certain Offenses, which has been reprinted below. After reading the RSA, please sign the Volunteer Assurances form, also below, and return the form to your school office.

# A MESSAGE FROM THE SOUTH NURSE'S OFFICE

Dear Parents/Guardians,

2022/2023

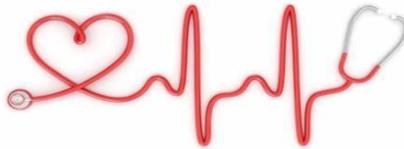

The time has come for a new school year to begin, and we would like to welcome you (or welcome you back) to NHSS! The Nurse's Office is here to help you keep your child healthy and well. If your child's health history has changed, **please** let the office know. If your child has a chronic or acute health condition or specific medical needs, we need to be in touch to discuss this. For some conditions, documentation from a medical provider will be required.

If your child requires prescription or over-the-counter (OTC) medication, there is documentation we will need from a parent/guardian. Prescription medication additionally requires documentation from a medical provider. We have a limited supply of donated OTC medications available in the office (acetaminophen, ibuprofen, antacid and cough drops). If your child uses any of these regularly, though, we ask that a small supply is sent in for your child. Unfortunately, it has been mandated by the Nashua School Board that students are **NOT ALLOWED** to carry medications on their person, other than inhalers and EpiPens. In this instance, proper documentation **is required**. A doctor's order and letter stating the child is allowed to carry this medication **MUST** be on file along with parent consent. Please contact us if this is a need.

For any questions regarding forms or documentation, please visit our website located on the Nashua High School South page. Click the drop down menu "FOR PARENTS" and choose "NURSE SERVICES." Forms are available on the website to download/print or please contact us via telephone or email and the forms can be sent to you.

The Nashua Public Health Department is planning a school wide Flu Clinic to be held at our school this coming fall on **THURSDAY, OCTOBER 27<sup>th</sup>** from 9am-11am. Parent consent forms will be available on our website and in our office, when they become available. These forms will be required for your child to be vaccinated.

If you have any questions or concerns please feel free to contact the Nurse's office. Thank you for your cooperation in keeping your kids safe and healthy!
