August 27, 2020

This message is going out to all high school students in Nashua. It will also be sent to everyone who has already registered for fall athletics. I apologize if you receive this message twice, but I wanted to be sure not to miss anyone who is interested in playing fall sports.

Please go to <https://bit.ly/3loiljF> to view and listen to a presentation regarding high school fall sports. The sport-specific document referenced in the video can be found at <https://bit.ly/3llhO7z>. Please know that this document is always changing and being updated with the most current information as often as necessary.

After viewing the video, which is about 20 minutes in length, please go to <https://bit.ly/31rycvg> to complete a Google Form which is a supplement to the FamilyID online registration process. This additional step is necessary because of COVID related agreements we need parents/guardians to sign off before students can participate in interscholastic athletics.

If you have not done so already, please be sure to visit the registration tab at your school's athletic website to register for fall sports: [www.NashuaNorthAthletics.com](http://www.NashuaNorthAthletics.com) or [www.NashuaSouthAthletics.com](http://www.NashuaSouthAthletics.com).

For those students participating in Field Hockey, Football, Soccer, Spirit, or Volleyball who need to take a baseline Impact test, please [CLICK HERE](#) to sign up for an appointment on either August 31<sup>st</sup> or September 2<sup>nd</sup>.

If you have program-specific questions, please contact the coach directly. Contact information is below.
