T2 Report Cards Sent Soon!

I just want to let families know that your child's Trimester 2 report card will be sent home on Tues., March 26th. Be sure to check your child's binder as usual and look over the report card together. Remember to keep the report card and return the signed paper I have attached. If you have any questions, please see me to set-up a time for discussion!

March Birthdays!

'Hoppy' Easter Celebration

Our class will be having an Easter Celebration on Friday, March 29th. The party will take place during our snack time. If you would like to bring an 'egg'-cellent carrot/coconut/pumpkin free treat, that would be great! Please prepare enough for 20 students. We will also be participating in a variety of activities including an egg hunt and egg dying. Supplies, especially candy-filled plastic eggs (sets of 20), for these activities would be greatly appreciated. We'll also need parent volunteers to assist in the egg dying from 8:00-9:00pm on this day. If you are able to help please let me know. As always, thank you for your families' support!

Looking Out for Leprechauns

Our class will be having a St. Patrick's Day celebration on Fri., March 15th. The party will take place during our snack time. If you would like to bring a lucky, carrot/coconut/pumpkin free treat, that would be great!

Please prepare enough for 20 students. We also will be making Leprechaun traps for this day on Thurs., March 14th to try our luck at catching a leprechaun. I am asking that every student help contribute supplies for this class project (i.e. green/rainbow stuff like gift wrap, ribbons, cellophane, gold coins, netting, etc.). Please send these supplies in by next Mon., March 11th so students can start planning their group trap!

Important points to remember:

- ☺ Thank you for all the supplies sent in to get us through the winter cold season! We still need tissues & hand sanitizer to replenish our stock for anyone able to donate!
- ☺ Thank you for all those who sent in 'hearty' Valentine's Day snacks for our party! The class loved these sweet treats and had a blast exchanging valentines with all their friends!

HIP, HIP, HOORAY... FUN DAYS IN K!

LOOK AT US AT 100 YEARS OLD!

Wow! I cannot believe we have already celebrated the 100th day of school. I want to applaud all of those students who brought in a 100th Day Project. These projects helped us count to 100 by 1's, 5's, 10's, 20's as well as 25's and 50's!
