

Principal's Message

Welcome to Mt. Pleasant! For over 100 years, our elementary school has been a proud part of the Nashua community— where learning, laughter, and lifelong friendships begin. Nestled in the heart of the city, we are more than just a school; we are a caring and inclusive community where every child is known, supported, and encouraged to shine.

Moe the Moose is our school mascot. At the heart of everything we do is our **Moe's Motto: Take care of M – Myself, O – Others, and E – the Environment.**

These simple words guide our daily actions and help our students grow not only as learners, but as kind, responsible members of our community.

With the support of dedicated teachers, staff, and families, we provide a safe, joyful, and engaging environment where students build strong foundations—in academics, character, and confidence. We are proud of our long history, and even more excited for the future we're building together.

Thank you for being part of our journey. We're so glad you're here!

Warmly,

Jacqueline K. Okonak

Principal
