**Dear Parents,**

**After missing out on many beloved traditions, our fall Book Fair will be a familiar, welcome, and safe event for our students. Unfortunately, due to Covid protocols, we will not be hosting an open book fair event this year. Students will shop at the fair on their own during library class.**

**The book fair provides an opportunity for your child to learn about economics. Please see the reverse side for details. We are hoping with the Thanksgiving holiday coming up, that perhaps your child could assist you with some special holiday prep to earn a little money for the book fair.**

**You can also help to support the book fair by buying some books on your child's wish list for their birthday or for the holidays. Scholastic even ships for free for purchases over a specific amount!**

**Whether you are shopping online, or helping your child to earn money for the fair, we want to thank you so much for supporting both our book fair and the love of reading! This year's proceeds will go towards purchasing replacement books for all the books we lost over the last two years during COVID, as well as new titles for our popular series!**

**Thanks again for your support.  
Jackie McKnight**
