May 15, 2020

Dear Charlotte Avenue Families:

It is hard to believe we have been in remote learning for almost two months. On March 13<sup>th</sup> we left school not realizing the students would not be back for the rest of the year. Teachers made a significant shift from materials sent home to online learning for our K-5 students. We cannot say enough about the work and effort that the teachers have put into this significant task, with such a steep learning curve. They have done a fantastic job! We also want to say a special thanks to our families. Parents were asked to become teachers at home while trying to juggle their own job and home life. We want to express tremendous thanks to everyone for making this unprecedented situation such a success.

**END OF THE YEAR CALENDAR**

Remote learning will continue in accordance with our school calendar. The last day of school for students is June 15<sup>th</sup>.

**Report Cards**

Trimester 2 and Trimester 3 report cards will both be sent home on the last day of school. Teachers have been able to monitor student engagement during this period of remote learning. For the third trimester, our standards based report card will contain comments to document how students did with the remote learning.

**Medications**

All medications that are still at school will be placed in your child's bag, and a form will need to be signed as we give you your child's things.

## **Spring Pictures**

We have spoken with Hockmeyer Studios regarding spring pictures. We should have them in time to put in your child's bag.

## **Pick-Up/Drop-Off On June 15<sup>th</sup>**

Student materials pick-up by grade level will take place on Monday, June 15<sup>th</sup>. If you have multiple children, please let us know grade level, teachers name, and the siblings names. We will retrieve the materials so you only come once.

- Kindergarten at 9:00 am
- First grade at 9:40 am
- Second grade at 10:20 am
- Third grade at 11:00 am
- Fourth grade at 11:40 am
- Fifth Grade at 12:20 pm

***Please do not get out of your car.*** Teachers will bring your child's materials to you. We will be ***collecting Chrome books on this day***, as well. (If your child will be participating in ESY summer school, please keep the chrome book.) Staff will cross check the chrome book numbers and they will be deposited into a bin. Library books will also be collected at this time. Now is a good time to begin looking for those books.

**Fifth Grade Celebration will take place on June 12<sup>th</sup> at 2pm.** Teachers will line up around the building with signs. Students and families will drive through the bus loop and wave. More information will be provided closer to the date.

Once again, we thank you for your support throughout this remote learning period and wish you a safe and rejuvenating summer.

Sincerely,

*Mrs. Beaulieu and Mrs. Keane*
