

The Greater Nashua Dental Connection (GNDC) has historically hosted our dental school events for the children of Nashua. COVID-19 has not only challenged GNDC with a pandemic, it has forced us to think outside of the box.

GNDC is excited to announce that we will be hosting a **drive-thru "DENTAL CARE DAY"** for not only the children of Nashua, but for the entire State of New Hampshire!

**Thursday, October 29th
9 am - 4 pm**

**31 Cross Street
Nashua, NH**

Drive up with your child and they will receive a FREE fluoride application, a visual oral screening*, and a goody bag (toothbrush, floss, and toothpaste) to take home!

Halloween Costumes are encouraged!

** Please note, the visual oral screening does not replace an exam done by a dentist.
Fluoride application sponsored by Northeast Delta Dental.*
