

TRANSFER OF APPROPRIATION

In the event it becomes necessary to expend an amount greater than what was appropriated for a specific purpose, the Board is authorized to transfer funds from an unexpended balance of one appropriation to a different appropriation that is or would be in deficit. All transfers of appropriations will be made consistent with the provisions of RSA 32:10.

The Board authorizes the Superintendent to transfer funds between line items up to \$5,000. Any transfers of \$1000 or more shall be reported to the school board at the Board’s next regularly scheduled meeting. Any transfer in excess of \$5,000 shall require Board approval and authorization. Additional restrictions for transfers from specific accounts and account types are given in DBJ-R.

In no circumstance shall the total amount spent exceed the total amount appropriated by the adopted City budget.

The Superintendent is authorized to develop administrative rules or regulations to accompany this Policy.
