

FULL-TIME STUDENT

A student taking four (4) Nashua High School approved courses each semester for a minimum of the last two years of continuous attendance before graduation will be considered a full-time student.

Additionally, juniors and seniors approved for modified schedules (taking three classes in a semester) will be considered full-time students. Approval for modified schedules will be granted by the building principal or designee. Exceptions to this rule may be pre-approved by the Superintendent or designee.

A student and their parent/guardian (for students under the age of 18) will be notified in writing and via phone when there is a change in the student’s full-time status.

Beginning with the class of 2024, class rank will no longer be calculated. Home-schooled, foreign-exchange, and other non-full-time students will not be calculated in the determination of class rank.
