Dear NSD Families and Staff:

Today our schools are reporting 32 positive cases of COVID-19 during school last week.

1 positive case at Amherst Street Elementary School
5 positive cases at Bicentennial Elementary School
1 positive case at Broad Street Elementary School
1 positive case at Dr. Norman W. Crisp Elementary School
1 positive case at Mount Pleasant Elementary School
2 positive cases at New Searles Elementary School
3 positive cases at Sunset Heights Elementary School

1 positive case at Fairgrounds Middle School
2 positive cases at Pennichuck Middle School

6 positive cases at Nashua High School North
8 positive cases at Nashua High School South
1 positive case at Franklin Street School

We are encouraged with an additional week of a lower number of positive cases of COVID-19 in our schools. As I said last week, I will continue to report to you weekly through mid-November. Please remember, if you or your student is not feeling well, stay home from school, avoid others, including those with whom you live, and seek testing. We continue to encourage keeping up-to-date with COVID-19 vaccinations, including primary series doses and boosters for each age group, as the best way to maintain good health and well-being.

Thank you for your support and, if you have questions about the pandemic, please email COVID-19@nashua.edu.

Sincerely,
