2. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY? Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please call or email **Kathleen MacIntyre 603-966-1068**
3. Do I need to fill out an application for each child? No. Use one Free and Reduced-Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: **Doreen Burgess, 36 Riverside Street, Nashua , NH 03062, 603-966-1302, burgessd@nashua.edu**

4. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE MEALS? No, but please read the letter you got carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact **[Doreen Burgess, 36 Riverside Street, Nashua , NH 03062, 603-966-1302, burgessd@nashua.edu**
5. CAN I APPLY ONLINE? Yes! You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Visit <https://www.nashua.edu/Page/716> to begin or to learn more about the online application process. Contact **Doreen Burgess, 36 Riverside Street, Nashua , NH 03062, 603-966-1302, burgessd@nashua.edu** if you have any questions about the online application.
6. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child's application is only good for that school year and for the first few days of this school year, through **October 14, 2023**. You must send in a new application unless the school told you that your child is eligible for the new school year. If you do not send in a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.
7. I GET WIC. CAN MY CHILDREN GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced-price meals. Please send in an application.
8. Will the information I give be checked? Yes. We may also ask you to send written proof of the household income you report.
9. If I don't qualify now, may I apply later? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.
10. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to: **Robert Cioppa at 141 Ledge Street Nashua NH 03060 603-966-1068**
11. May I apply if someone in my household is not a U.S. citizen? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced-price meals.
12. What if my income is not always the same? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
13. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
14. We are in the military. Do we REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
15. WHAT IF THERE ISN'T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper, and attach it to your application. Contact **Doreen Burgess, 36 Riverside Street, Nashua , NH 03062, 603-966-1302, burgessd@nashua.edu** to receive a second application.

How To Apply for Free and Reduced Price School Meals

Please use these instructions to help you fill out the application for free and reduced price school meals. You only need to submit one application per household, **even if your children attend more than one school in the**

The application must be filled out completely to determine the eligibility of your child(ren) for free or reduced price school meals.

Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact

Please use a pen (not a pencil) when filling out the application and do your best to print clearly.

Step 1: List ALL children, infants, and students up to and including grade 12

Tell us how many infants/toddlers, children not in school, and elementary/middle/high school students live in your household. They do NOT have to be related to you to be a part of your household.

Who should I list here? When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a formal foster arrangement through a court or state/local agency, or qualify as homeless, migrant, or runaway youth;
- Students attending (regardless of age)

<p>A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper (or a second application if completing electronically) with all required information for the additional children. This also applies to adults in Step 3. "MI" is short for middle initial. Print the first letter of each child's middle name in the box.</p>	<p>B) Is the child a student? If "Yes," write the grade level of the student in the "Grade" column to the right.</p>	<p>C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing Step 1, go to Step 4. Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to Step 3. Note: Adopted children are not considered foster children. A foster child is a minor child who has been taken into state custody and placed with a state-licensed adult, who cares for the child in place of their parent or guardian.</p>	<p>D) Are any children homeless, migrant, or runaway? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and complete all steps of the application. Homeless, Migrant, Runaway status must be confirmed with the appropriate program staff. If the school district cannot confirm your student's homeless, migrant, or runaway status, then the school district will contact you to complete an income-based application. <u>You may choose to provide income information now in order to prevent the school district from potentially needing to contact you later.</u></p>
---	---	--	---

Step 2: Do any household members currently participate in SNAP, TANF, or FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP) or
- Temporary Assistance for Needy Families (TANF) or
- The Food Distribution Program on Indian Reservations (FDPIR).

A) If no one in your household participates in any of the above listed programs:

- Check “No” in **Step 2** and go to **Step 3**.

B) If anyone in your household participates in any of the above listed programs:

- Write a case number for SNAP, TANF, or FDPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact:
- Go to **Step 4**.

Step 3: List ALL household members and income for each member

How do I report my income?

- Use the lists titled “**Sources of Income**” & “**Examples of Income for Children**,” on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
 - Gross income is the total income received **before** taxes and deductions.
 - Many people think of income as the amount they “take home” and not the total, “gross” amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
 - Write a “0” in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write “0” or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
 - Mark how often each type of income is received using the check boxes to the right of each field.

3.A. Report income earned by adults

Who should I list here?

- When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- **Do NOT include:**
 - People who live with you but are not supported by your household’s income AND do not contribute income to your household.
 - Infants, children and students already listed in **Step 1**.

Step 3: List ALL household members and income for each member

1) List adult household members' names.

Print the name of each household member in the boxes marked "Names of Adult Household Members (First and Last)." Include college students, unless they are declared independently on taxes (all college students are considered adults). Do not list any household members you listed in Step 1.

2) List earnings from work.

List all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income. Net income is your income after taxes and deductions have been subtracted.

- **What if I have multiple jobs?** List each job separately by entering your name and income from each job on a new line. Add an additional sheet of paper if necessary.
- **What if I am self-employed?** List income from your business as a net amount. This net amount is calculated by subtracting the total operating expenses of your business from its gross receipts (revenue). Gross receipts or revenue are all the income earned from the sale of any products or services offered.

If a child listed in **Step 1** has income, follow the instructions in **Step 3, Part B.**

3) List income from public assistance/child support/alimony.

List all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the cash value of any public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.

4) List income from pensions/retirement/all other income.

List all income that applies in the "Pensions/Retirement/All Other Income" field on the application.

- **What if I receive income from multiple sources in this category?** List each source separately by entering your name and income from each source on a new line. Add an additional sheet of paper if necessary.

5) List total household size.

Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number **MUST** be equal to the number of household members listed in **Step 1** and **Step 3**. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.

6) Provide the last four digits of your Social Security Number.

An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled "Check if no Social Security Number."

3.B List income earned by children

List all income earned or received by children.

List the combined gross income for ALL children listed in **Step 1** in your household in the box marked "Child Income." Only count foster children's income if you are applying for them together with the rest of your household.

- **What is Child Income?** Child income is money received from outside your household that is paid **DIRECTLY** to your children. Many households do not have any child income.

Step 4: Contact information and adult signature

All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the statements on the back of the application.

A) Provide your contact information. Write your current mailing address in the fields provided, if this information is available. If you have no permanent address, that is okay. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.

B) Print and sign your name and write today's date. Print the name of the adult signing the application and that person signs in the box "Signature of adult."

C) Mail completed application to:

Optional

Share children's racial and ethnic identities (optional). On the back of the application, we ask you to share information about your children's race and ethnicity. This field is optional and does not affect your children's eligibility for free or reduced price school meals. This information is requested solely for the purpose of determining the State's compliance with Federal civil rights laws, and your response will not affect consideration of your application, and may be protected by the Privacy Act. By providing this information, you will assist us in assuring that this program is administered in a nondiscriminatory manner.

Please return the application directly to your child's SCHOOL. DO NOT mail, fax, or email completed applications or questions about applications to the USDA Office of the Assistant Secretary for Civil Rights or your child's eligibility for free or reduced-price meals will be delayed.

PROCEDURES FOR STUDENT MEAL CHARGES**Elementary Schools**

If a student does not have enough money to purchase a meal, the student will be allowed to receive the meal of his/her choice until such time as the student attempts to make a purchase that would exceed three paid lunch meal equivalents.

For any meal purchase where the account would result in a charge of more than three combined breakfast and paid lunch meal equivalents, the student will receive a breakfast and will be provided a standard “reimbursable” meal based on daily offerings such as a sandwich of sunflower butter & jelly on whole wheat bread, vegetable of the day, fruit and milk. A reimbursable meal is defined as a meal consisting of meat/meat alternative, grains, fruits, vegetables, and a milk further defined by the National School Lunch Program requirements. Staff must take reasonable steps to minimize statements or actions that may overly identify children eligible for free meals. This designated “reimbursable” meal alternative will be charged to the child’s meal account at the standard lunch rate.

Middle and High Schools

If a student does not have enough money to purchase a meal, the student will be allowed to receive the meal of his/her choice until such time as the student attempts to make a purchase that would exceed two paid breakfast and lunch meal equivalents. For any meal purchase where the account would result in a charge of more than two paid breakfast and lunch meal equivalents, the student will receive a reimbursable meal based on daily offerings such as a sandwich of sunflower butter & jelly on whole wheat bread and a cup for water. The School District recognizes that the lunch replacement meal cost is non-reimbursable to the School District.

A la carte and snack purchases are not permitted for any student that has a negative balance. The student’s account balance must have sufficient funds for these types of purchases.

This policy shall apply equally to all students regardless of free/reduce/or full pay status.

Adults

No purchases will be allowed without proper payment.

STUDENT MEAL CHARGES

The Board recognizes the impact that wellness has on student achievement. To support this, students are provided competitively priced, nutritious and well-balanced meals also known as reimbursable meals at each District school. A reimbursable meal is defined as a meal consisting of meat/meat alternative, grains, fruits, vegetables, and a milk further defined by the National School Lunch Program requirements. Parents/guardians are also expected to support this by maintaining a positive balance in their student's meal account throughout the school year.

Parents/guardians whose circumstances make this difficult are encouraged to apply for reduced-priced or free meals under federal guidelines. Any family that falls into a negative balance will receive a written notification to encourage them to apply for free or reduced meal benefits.

This policy establishes tenets for unpaid student accounts that balance the responsibility of parents to pay these charges with the necessity of treating each student in the serving line with respect regardless of the student's eligibility.

Parents/guardians are notified of this Policy by letter from the student's assigned school, mailed to the home and emailed to the email on file. The District staff (school staff and nutrition staff) are trained yearly to support and implement this policy.

Students Without Cash or Positive Balance

No student will be denied a breakfast or lunch regardless of account status. Students with an excess negative balance will be provided a standard "reimbursable" meal based on daily offerings such as sunflower butter and jelly on whole wheat bread, daily vegetable, fruit and milk. Staff must take reasonable steps to minimize statements or actions that overly identify children eligible for free meals. Students with a negative balance will not be allowed any a la carte purchases including milk. This policy applies equally to all students regardless of free/reduced/or full pay status.

Unresolved Debt:

In the event the student account has insufficient funds, the following procedures will be followed:

- At the middle and high school level, the cashier will notify students of their balances.
- At the elementary level, cashiers will not directly inform students of a negative balance.
- At all levels, a letter is sent by one of the following means:
 - Emailed to the parent/guardian email on file
 - Sent home with the student
 - Mailed home to the parent/guardian
- When a student's account reaches a balance due of \$20.00:
 - The Food Service Department will continue to try to contact the parents until the debt is paid. Contact options include notes sent home with students, letters through U.S. Mail, email and telephone calls
 - Building principals, teachers, secretaries and guidance counselors will be notified to help facilitate if needed
 - If the balance exceeds \$50.00, the parents/guardians have made no attempt to rectify the account and fail to send meals from home for the student, then the Superintendent or designee is authorized to consider contacting a debt collection agency.

On May 15 each school year, all unpaid student accounts with delinquent debt may, upon the decision of the Superintendent or Food Services Director, be assigned to a collection agency. At the end of June each year, delinquent debt becomes bad debt.

The Director of Food Services, with the concurrence of the Superintendent, is responsible for implementing the procedures for student meal charges in EFDA-R.

The Director of Food Services will annually report:

1. The cost, if any, for an alternative meal at the elementary and middle school level.
2. By school level: amount of unpaid meal charges, the number of students involved and the number of unpaid balances that have been sent to collection.
