The Association and the Board agree that differences between the parties shall be settled by peaceful means as provided within this agreement. The Association in consideration of the value of this agreement and its terms and conditions will not engage in, instigate or condone any strike, work stoppage or any concerted refusal to perform designated administrative duties, as well as related educational functions on the part of any employee covered by this agreement, or otherwise engage in any activity(ies) that constitutes an unfair labor practice pursuant to RSA 273-A:5.

ARTICLE V

Salary and Rates of Pay

5:1 Salary Schedule

A. Effective on the date of signing of this Agreement, all members of the bargaining unit will receive salaries in accordance with the scale in Appendix A. Only administrators receiving acceptable annual performance reviews will be eligible for annual step increases.

B. Placement on the Salary Schedule

For the purpose of placement on the salary schedule, administrators will be granted full-credit for prior experience in the same position. Effective July 1, 2016, principals shall be granted one-half (1/2) credit (rounded up) for experience as an assistant principal, up to a maximum of six (6) years of experience.

Service of at least one hundred five (105) days in active employment as an administrator with the District within a previous fiscal year is required for the administrator to advance a step on the salary schedule.

5:2 Course Tuition Reimbursement

A. With advance approval from the Superintendent (or designee), an administrator may be reimbursed 80% of the tuition cost for completing a work-related accredited college or university courses(s), but not exceeding \$2,000 annually. Administrators enrolled in a work-related accredited college or university degree program may be reimbursed 80% of the tuition costs for completing courses required for the degree program, but not exceeding \$3,000 annually. Each Administrator shall have a two-year commitment to the District upon receiving tuition reimbursement only. Fulfillment of the reimbursement commitment is realized two years after the last tuition reimbursement. This two-year commitment applies to voluntary resignation or retirement by Administrators and not to reductions in staff by the District. The Superintendent (or designee) may also approve reimbursement up to 80% per course or workshop sequence offered by colleges or other training centers leading to certificates of study in areas directly related to the work of the employee, but not to exceed \$1,000 annually.

B. Reimbursement will only be made for courses completed with a grade of "C" or better at the undergraduate level, a "B" or better at the graduate level, or a grade of "pass" if a course is offered only on a pass/fail basis

5:4 Method and Time of Salary Payment

Salaries of administrators shall be paid in twenty-six (26) bi-weekly installments, starting with the first administrator pay period in July. Paychecks shall be distributed to administrators in individually sealed envelopes. The District may institute delivery of direct deposit slips by electronic means, subject to requirements of state law.

Assistant elementary principals hired after June 1, 2022, will be paid on a Teacher-pay schedule, i.e., they will receive their first check when the teachers do in late August or early September.

Voluntary dues deductions shall be authorized from the salary of an administrator who files an appropriate authorization within one month of the date on which dues are to be deducted. Such authorization shall be on the dues deduction form attached herewith as Appendix B. Said deduction is to be made per pay period. However, if any member has no check coming or the check is not large enough to satisfy the assignments, then and in that event no collection will be made from said member for that month. The Association will hold the District harmless from any disputes between the Association and its members relative to the deduction of dues. The District shall have no obligation to collect dues beyond the monthly deduction. The Association shall determine a payroll deduction amount once annually to cover all Association members, and shall inform the District Personnel Office of the amount at least three calendar weeks prior to the implementation date.

The Board will pay professional membership dues as provided in Article 6:6 upon request of an administrator provided the administrator files an appropriate request at least one month prior to the date on which such dues are to be paid.

Only administrators hired prior to June 1, 2008 with 19-23 years of continuous employment in any capacity at July 1st will receive an annual longevity payment of \$1,350. Administrators in the continuous employ of the District prior to July 1, 2011 shall be grandfathered in at a maximum accrual of 185 sick days for the purpose of severance calculations, 60% of their per diem salary for retirement or death, and 35% for resignation.

If resignation, retirement, or death occurs in the middle of a fiscal year, the District shall prorate credit for sick and vacation leave (monthly accrual) based on separation date. For example, if you retire July 30th, you would receive 1/12 of your sick time that is loaded July 1st.

Total severance payments made to an administrator over the course of his or her career(s) with the Nashua School District shall not exceed the maximum payment for which the administrator is eligible under Section 5:6 (above).

5:7 Calculation of Per Diem Rates

The Superintendent shall recognize the Association President and/or a person designated by the President in writing as the official representative of the local organization.

12:3 Distribution of Materials - Mail Boxes

Officers of the Association shall have the right to use reasonably the Administrative Office and/or school mail boxes for distribution of Association material provided such materials are directly related to Association business and are not in violation of any laws, rules, regulations or school policies.

12:4 Association Meetings

The authorized representative of the Association shall have the right to schedule Association meetings in the building before or after regular work hours as long as such meetings do not interfere with any school business, activities or functions.

12:5 Protection of Individual and Group Rights

Nothing contained herein shall be construed to prevent the Board, a member of the Board, or its designated representatives from meeting with any administrator for expression of views.

Nothing contained herein shall be construed to prevent any person from informally discussing any dispute with the immediate superior or processing a grievance on the person's own behalf in accordance with the Grievance Procedure set forth in Article XV. None of the provisions of this agreement for its duration shall be changed or modified without the mutual written consent of the Board and the Association. Nothing contained herein shall be construed to permit an organization other than the Association to appear in an official capacity in the processing of a grievance.

12:6 Leave For President

The President of the Association or designee shall be granted up to three (3) days of paid leave per fiscal year to attend legislative hearings on educationally related matters.

ARTICLE XIII

Miscellaneous Provisions

13:1 Miscellaneous

It is understood that for the duration of this agreement administrators shall continue to serve under the direction of the Superintendent of Schools and in accordance with state law, Board policies and administrative rules, regulations and the provisions of the Agreement.

ARTICLE XIV

Grievance Procedure

14.1 The purpose of this article is to establish a procedure for the settlement of grievances which involve an alleged violation of a term or provision of this Agreement. All such grievances will be handled as provided in this article.

14.2 A grievance must be filed within ten (10) working days of its occurrence or within ten (10) days of the date the employee, by reasonable diligence, should have known of its occurrence. The grievance must be submitted to the next step within the time limits provided or it will be considered settled. A grievance once settled at any one of the following steps shall not be further subject to the grievance procedure.

14.3 Grievances shall be processed in the following manner:

Step 1 Any administrator who has a grievance shall, with or without an Association Representative, discuss it first with the immediate supervisor, in an attempt to resolve the matter at this level. A decision shall be rendered within ten (10) working days.

Step 2 An unfavorable decision under Step 1 may be formally appealed to the immediate supervisor within ten (10) working days. The appeal must be in writing on the grievance form as provided by the Board of Education. The immediate supervisor shall render a decision within ten (10) working days.

- Step 3 An unfavorable decision under Step 2 may be appealed to the Superintendent within ten (10) working days. The Superintendent shall render a decision within ten (10) working days.
- Step 4 An unfavorable decision under Step 3 may be appealed to the Board of Education within ten (10) working days. The Board shall render a decision within twenty (20) working days.
- Step 5 If a grievance involving the interpretation or application of a specific provision of this Agreement has not been settled after being fully processed through the grievance procedure above, then the Association may submit such grievance to arbitration by giving written notice thereof to the Board not later than ten (10) working days after the completion of Step 4. The grievance shall be considered as having been settled at Step 4, unless it is so submitted to arbitration within such time limit.

The choice of the Arbitrator shall be by agreement of the parties. However, if such agreement has not been reached within ten (10) working days after the receipt of such written notice submitting the grievance to arbitration, the grievance may be referred by the Association to the New Hampshire Public Employees Labor Relations Board for the selection of an arbitrator in accordance with the applicable rules of said Board. Any arbitration hereunder shall be conducted in accordance with such rules, subject to the provisions of this Agreement. Determinations and decisions set forth by said arbitrator shall be final and binding upon the parties. Each party to the arbitration shall assume its own expenses and an equal share of the expenses of the arbitrator.

- 14.4 Grievance Mediation: Either party may submit to the other a request for Grievance Mediation. Grievance Mediation can only take place by mutual agreement at any time during the grievance procedure. The parties agree the Federal Mediation and Conciliation Service may be used as a facilitator for cost effectiveness. This does not preclude mediation occurring the day of arbitration nor using the arbitrator as the facilitator. Should Grievance Mediation occur, the parties shall agree to a time extension for the following steps.
- 14.5 Failure of the administration to render a decision within the time limits shall permit the grievant to proceed to the next step. The grievant shall continue to observe the rules and regulations of the District while the grievance is pending. A grievant shall have all rights provided by RSA 273-A relative to the processing of grievances.

ARTICLE XV

Duration of Agreement

- 15:1 The provisions of this agreement shall become effective as of July 1, 2022 unless otherwise specified and shall continue and remain in full force and effect to and including June 30, 2026 when it and all provisions and benefits therein shall expire unless an extension is agreed to by both parties and expressed in writing prior to such date.

The Board and the Association agree to begin negotiation of a successor agreement concerning wages, hours and other terms and conditions of employment no later than March 1, 2026.

15:2 IN WITNESS WHEREOF the parties hereto have caused this Agreement to be signed by their respective presidents.
