

# Meet Miss Linehan

Linehanmo@nashua.edu

When I am not spending time in the classroom, I enjoy spending time with my family and my Goldendoodle, Teddy.

I am passionate about traveling and am always looking for new places to explore!

## Special Educator 4th and 5th grade.

I love watching students build their confidence in the classroom while working on their weaknesses and building on their strengths.

When your child comes to me, we will work together using research based intervention programs to allow them to make progress towards their individual learning goals.

I look forward to collaborating with you, while learning more about your child and their interests outside the classroom.
