If you have good thoughts they will shine out of your face like sunbeams and you will always look lovely. -Roald Dahl

My family and I live in Nashua. I have a son named Drew and a daughter named Natalie.

I grew up in Brookline, NH with my parents and 2 sisters. My mother, Mrs. Rivard, was a special education teacher at Main Dunstable for many years.

I have been teaching at Main Dunstable since 2008! I taught at 2 other schools in Nashua before starting here!

I went to the University of New Hampshire where I earned a BS in Family Studies and a Masters in Elementary Education.
