Welcome to 1st Grade!

I am so excited to be your teacher this year! We are going to learn so much and have a lot of fun doing it! We will explore lots of different types of science, social studies, math, writing, reading and much more! I hope you have enjoyed your summer so far and are as excited as I am for the first day of school! You'll do amazingly well, so take a deep breath and know it will be a wonderful year together!

About me:

I love teaching and love to watch children learn and grow! I have been in education for 15+ years! I have taught kindergarten, 2nd grade and most of my years teaching 1st grade. I am a blessed mom to my one son. Over the years I have coached many sports teams and enjoy watching and playing sports.

Some of my favorite things:

- teaching and learning with my students!
- reading great books
- going to the beach or a lake
- walks in the Mines Fall trails
- watching, playing and coaching sports
- dinner out with friends and family
