Message from the Principal's Desk...

I hope everyone had a wonderful holiday break. We recently started **Thoughtful Thursdays** here at Mount Pleasant. The idea is to think about ways in which to be kind and respectful to others. It could be as simple as picking up an item another person has dropped or reminding a friend about an upcoming assignment. I would like to encourage all of our families to take a moment and think about an act of kindness this month.

Upcoming PTO Event...

Thank you to all of the families for joining us for Cocoa and Cookies event with Santa! We had a beautiful day outside to share with friends and family. The PTO is hosting 2 events this month. Check the calendar for dates and times.

Parking and Drop Off Procedures

Friendly reminder that our school day begins at 8:00am. Please note that there is no supervision out on the playground until 8:00 am. Thank you for your support.

Also as most of you are aware, there is extremely limited parking surrounding the school.

Dropping off and picking up students should be done by using the car lane in the back of the school (Abbott Street). This is a car lane ONLY, and you should not leave your car unattended.

Lastly, the first 3 Manchester Street parking spaces in the front of the school are reserved for our busses for both the morning drop off and afternoon pickup. Please do not park in these spots as our busses will not have a place to park.

Thank you for your help in making our drop off and pick up as safe and efficient as possible!
